Fichier:Fugitron 2. Great kit. This Italian television programme-related article is a stub. Like The Secret River this novel is set along the Hawkesbury River during the period when the indigenous people were being displaced and dispersed, so the story is a catalyst for exploring the moral ambiguities of European settlement: a great opportunity for the poor and dispossessed of Britain, achieved at the expense of the original owners of the land. When she falls in love, it is with the wildly inappropriate Jack Langland, a neighbour who is "half darkie", product of a union between his father and an Aborigine woman in the first years of colonisation.
