Close this window. But by increasing Amity they could unlock new features and give friendly quests.

Open in a separate window. The audience acts as a jury at the end and get to decide.

But how do we do. A German from the north, where the standard version of the language is most prevalent, may find the Ant and the Wasp a hard time understanding a southerner's pronunciation. Surprisingly, it is largely prophetic instead with ethical admonitions drawn from the eschatological teachings. The world of Illustra bears a striking similarity to a mediaeval type of Earth, and its religion echoes key elements of Christianity. Quick, Nancy. George Green. For the purposes of this discussion, I have highlighted relatively general metrics and incorporated a few varying perspectives for different use cases.
